Dear Respecters of the Great Commission,

As always, greetings! Jesus stated His reason for coming was to save the lost. I am so glad that you take Him seriously. Lord willing, I will be in Florida for a few days before going on a campaign in Nicaragua, June 14-25.

You have heard of a company by the name of Amway. Nearly everyone has; it is to their credit. They boldly use the II Tim. 2:2 method (teach others to teach others). Millions use and sell their product. They use the method to make much money. Only a very few congregations in the USA use God's method (II Tim. 2:2). Therefore, a few know about the uniqueness of the Church of Christ. This must change. The church is in decline.

Amway does what they do for money; that's okay. We do what we do because we love Jesus and the lost. After hearing the Gospel in Acts 2, the Bible says in verse 37 that the people's hearts were touched with the message. Today, before the lost can have their hearts touched with the message of the cross, our hearts must be touched by Jesus and His Great Commission. We must see the purpose/plan/vision of our Savior, then convict one another, motivate one another, and equip one another. The vision/plan/will of God in our hearts first; then we must learn the "nuts and bolts" of how to do it. Once our hearts are touched, nothing can stop us. God promised to provide all that we need. In Matthew 9, Jesus had compassion upon the lost. His heart was touched.

I would like to do an experiment. Perhaps you would like to send an Hispanic man to Central America for two years of training in BICA. Interested? Contact me at gwhall43@gmail.com.
