REPORT OF RESULTS OF NOVEMBER 2013:

- **Evangelistic campaign of the month in El Quiche, Guatemala:** El Quiche is the state of Guatemala that is 100% Mayan population and Mayan languages. The church of the Lord in that state is strong (organized churches, big churches etc). We believe that more than 40 congregations exist in that state. On November we were dividing our students in two evangelistic campaigns with two churches of El Quiche (we have too much invitations and we need cover more than two places at the same time, thanks God for this). We had campaigns on the same week with the churches in Xajbal, Xeaetnap. For the glory of God, again, even the difficulties of the languages, the Lord added a total of 32 souls to His church. 19 souls in Xajbal and 13 in Xeaetnap. Glory God!

TOTAL RESULTS:

- **32 BAPTISMS**
 - **9 Restorations**

Even the activity was not focused in evangelism, the students of BICA converted 7 youth on the two days.
-
- **WEEKEND EVANGELISTIC WORK:** November is the last moth of work of the students with the 23 small congregations that we help (December is vacations time) for this reason our students were receiving wonderful expressions of gratitude (gifts, meals etc) from the churches.
