Dear Fellow Workers,

Greetings in the precious name of Jesus. Thank you! Thank you for your sacrifice! I love you with the love of the Lord for your faithful support. We can never sever our heart of compassion, but rather embrace the compassionate heart of Jesus.

Never can we remove our conscience to save the lost, but be more aware of Jesus' concern and love for the lost. How true is the statement, "The main thing is to keep the main thing the main thing." The priority of Jesus was and is to seek and save that which is lost. God, please help us to have Your heart!

God has blessed us with 106 students this year. They are doing and will do mighty things for God. They will be great leaders as they humbly serve. They will lead very many to Christ. That is the greatest leadership—ever.

In January 2013, a 13-year-old boy started school in Honduras (extremely young) I questioned their decision to admit him. In his first year, he baptized 50 people. Young people in the Bible did tremendous things, like Mary, David, and many others. Today, it is possible to duplicate this great service.

In January 2013, we had a 14-year-old girl start school in Nicaragua. She was responsible for 37 baptisms in her first year.

There is always excitement when there is a new birth. How would you like to be a part of seeing the birth of a new church? We will start with nothing and by the grace of God in one week, we should have 20-35 members worshipping the first Sunday. God willing, it will be in Jinotepe, Nicaragua (the place where the school is located.) It will be June 22 till June 29, including travel time. In order to get good hotels, it is better to commit early. I promise that you will be richly blessed. Bring some teens and young adults. You are welcome to visit again the following summer to follow the progress of the church.

If you have any questions about how BICA works, contact me by phone at 281-252-4444. If you are interested in going to Nicaragua in June, please call. Get first-hand experience watching students reach and teach the lost. Supporting congregations are invited to send elders and missions leaders to see this for themselves. See for yourself how your contributions are helping bring the lost to Christ. **Seeing is believing!**

To make donations for Honduras and Guatemala, mail to P.O. Box 788, Belton, TX 76513. For donations for Nicaragua, send to Northside Church of Christ, 3401 North 3rd Street, Temple, TX 76501.

Keep us in your prayers.

In Christ,
George Hall

Thanks for giving me the opportunity to study, and have supplied the basic needs of each of us, and grateful to God for having put this vision in your mind and hold it as an accomplished fact, and is a useful tool for the kingdom, and many people who are hungry to know God and we are sent to do, to quench the spiritual thirst of people.
