

Hello brothers and sisters,

This is our Monthly Report from July.

We did not have our evangelistic campaign this month, it was going to be in Managua however the church in Batahola Norte one of the neighborhoods in Managua they could not receive the campaign because lack of funds, they were expecting some funds from a church that at the end did not send the funds to them on time. We have in list another church but was too late when the church in Managua informing us that they will cancel the campaign because that reasons.

So we were focus on the weekend assignments, local evangelism, and several activities on the area.

We have the funeral of the grandfather of one of our married student his name is Alex Arevalo. We are asking for prayers for our graduated Wilfredo Gutierrez he is from Esteli and he is suffering the attack of the Christian mafia in Nicaragua, he is having serious economic problems he has 1 daughter and 1 son and working really hard in the church, sense he is working there the church was reestablished, now they have they own land and building and from 12 members in 2 years they are 65 members plus kids. Francela one of our graduated from last year is helping him with the evangelism and ladies program really hard but Francela is really sick, now was abandon by her mother, Francela is just 17 years old and now is in charge of her 2 siblings.

Also I was on bed sick with the Chicungunya (it is an Indian voice that means: Broken man), it is a viral disease transmitted by the mosquitoes, I got it in the last campaign in Muy Muy, 300 kms north from the school, it was raining 12 hours daily, believe me it is terrible, high fever, bones pain, arthritis, it is worse than dengue fever. I feel much better just a light arthritis in my hip and right hand. My family says hi to everyone and we expect to continue working hard for the Lord. Our next Campaign will be in Santa Clara 350 kms north from the school this church was established for one of our graduated from the 3rd generation, his name is Harold Gomez, married and he has a little baby girl of 3 weeks.

Also I want to inform you all in advance that I was invited by Baxter Institute to teach some seminars in September so I will be out from September 18 to September 20th.

Please if you want more details just let me know. We are ready to start the apartments for the married couples. Thanks to Brother Glenn and Lorie may God continue blessings them and you all your efforts are not in vain.

In Him,

Erick Garcia.
