### Reflection

#### To the Dead

#### Proverbs 24: 11–12

The people who are around are in suffering, If we don't reach them they will die. We have in our hands their souls, and we are called to help them. Even we don't have the age to die, we are close of the dead. Some will ignore this, many will take it with no passion, other will excuse themselves. But we care, we care about the eternal destiny of the people. Lost people are our priority and our responsibility.

### Evangelistic Activity

#### Church of Christ in Santa Clara, Nueva Segovia

This month we were again in Santa Clara, we had a activity with the people from so many ways. We prayed and spoke with the people it was around. We invited them, We have also and sport camp where people asked to know more about God. One of our Graduated is working there. We had a blessed day no only for us, for the people there too. Attendance 250.

*And the things that you have heard of me among many witnesses, the same commit you to faithful men, who shall be able to teach others also.*
